

REMARKS

The list of current claims submitted herewith corrects the list of claims included with the amendment filed on June 25, 2007. The list of current claims is corrected by removing the term "any" from claim 5, and retaining the status identifier "(Previously Presented)." In addition, in claim 4 it was noted that the word "socket" was incorrectly replaced as "sockets" in the wrong place in claim 4. The first instance of the word "socket" should have been changed to "sockets", not the last instance. This correction has been made.

If any issues remain that may be resolved by a telephone or facsimile communication with the Applicant's attorney, the Examiner is invited to contact the undersigned at the numbers shown.
